Town of Chincoteague,

Hello to all, we hope this has been a good year for all of you and we look forward to another year working with the Town of Chincoteague.

We are sending this letter is to make the Town aware that effective January 2017; Davis Disposal will no longer be dumping any personal containers that are put out in the Town. This is due to our increase in insurance premiums and associated workers compensation claims over the last few years. All trash must be inside approved Davis Disposal carts which are located at each residence. Any extra bagged material exceeding the 120 gallon limit (per the current contract) will be picked up at the driver's discretion.

If you have any questions or concerns about this, please do not hesitate to reach out to me at the office number listed at the top of this letter.

Sincerely,

Michael W. Davis
General Manager
