

BUSINESS DATABASE UPDATE

[Click here](#) to open our Business Database Form. The Chincoteague Police Department is updating our Business Database, and we need your help. Should any incident occur at your place of business, we need to be able to get in touch with you, or possibly gain entry to your place of business. Having important contact information on hand like owner's name and telephone number, or an employee's name and number that is a key holder, would help us serve you quickly and efficiently. We encourage you to go to our website, print the form, and send it to us via fax, mail or email. All information will be confidential and filed at the Police Department. Fill it out, and fax it to 757-336-6970, mail it 6150 Community Drive, Chincoteague, VA 23336 or email it to mhart@chincoteague-va.gov.
