Staff Reports

General Government

Town Manager Tolbert advised that the Center's HVAC system installation has been completed. He added that the floors have been completely stripped and waxed. He reported that the Town has achieved its goal of obtaining the Sunset Bay sewage treatment plants and transferring them

to HRSD. The final documents were delivered to the Clerk's office in Accomac on December 19th. HRSD is the legal owner of the sewage treatment plants and associated properties sans HOA covenants and restrictions. The change in ownership will automatically void the lease between the Town and Sunset Bay Utilities. HRSD is well into the process of designing new plants to replace the existing dilapidated plants. The Town signed a contract with Davis Bower and Friedel on December 18th to provide design, construction administration, and inspection services for the Town's initial public sewage collection system. The contract is valued at \$283,600 and will be paid for with the Town's ARPA award. Design prep work began immediately and should be completed in September of this year. In addition to the ARPA funds, the Town will seek additional funding through the state's Clean Water Revolving Loan Fund to make sure the Town can obtain the construct the entire system at one time.

Town Manager Tolbert reviewed the Meals and Transient Occupancy Tax revenue for December. He then advised that things are slow at the Harbor. Harbormaster Merritt is working with Public Works to price material for the replacement of the wood finger piers at the traditional slips. They will begin working on this project this month for completion before the spring season. Water pedestals for the new floating piers have been ordered and will be installed over the winter. There is some subleasing in the winter months at the Harbor as well. The ACOE is also planning to dredge in the spring. He reviewed the December Financial Report advising that the Town is where they should be in December. He also gave the Building and Zoning Report for December. He stated Building and Zoning Administrator Bowden issued 36 building permits and conducted 40 inspections. The total value of building cost instruction of \$1.72 million, with fees collected of \$5,000. He also reported he received an email from Mr. Robby March of ANEC who received an email from an EV customer. The customer came to Chincoteague advising that it usually takes 50 hours to charge their battery to 100%. They reported they enjoyed the 90 minutes today contributing to the economy of Chincoteague by having lunch at Bill's Seafood Restaurant, visiting Sundial Books, and the Island Library while the car was charging. He added that it was astonishing to see the battery increase at that time.

Councilwoman Bowden asked about possibly putting in a floating pier with finger piers off of it.

Town Manager Tolbert advised they have discussed this, but once they put a floating pier there it is more difficult to access as it will run the entire length, parallel with the bulkhead.

There was brief discussion.

Councilman Taylor asked about the sewer collection system and the state Clean Water Revolving Loan Fund.

Town Manager Tolbert advised it is a loan fund with low interest of less than 1%. This is not something they would want to do, however, would be by act of Council. He added they wouldn't have to fund the entire project with this. He stated they would be collecting connection fees.

Councilman Taylor stated that if they do this in phases and charge the same amount in hookup fees that were being charged by Sunset Bay Utilities, then those fees would pay for the next

person's fees. He explained that for those people who aren't tied into the sewer at all wouldn't be funding it.

Town Manager Tolbert agreed that this is an option.

Mayor Leonard advised that at the Legislative meeting, they were advised that some of the ARPA funds would come back.

Town Manager Tolbert stated that they don't expect everyone to expend all the funds. He added that they will stand in line for these funds. By the time this would become available the design would be complete.

Police Department

Acting Chief Greenley reported that the Department held its annual Christmas Toy Ride with 50 bikers. They went shopping on the 13th and were able to give toys to 33 children. They donated the extra toys to Atlantic Volunteer Fire Company. They assisted with traffic control for the annual Christmas parade, and on December 5th Pfc. Matthews, Pfc. Renas, and Pfc. McGee completed Speed Measurement Training. Acting Chief Greenley reported that the white Durango, and the white Dodge Ram have the police lettering. The white Durango is currently getting interior equipment installed, the Dodge Ram is next and should be done soon. He added that all of the officers have been issued with bullet proof vests, that are lighter, better design, and protection on the side. They also received new pepper guns. Both were issued through a grant.

Public Works Department

Town Manager Tolbert reported that Public Works Director Parks met with a company today that was able to give a price on replacing the sand in the sand filters at the water plant. As soon as Public Works Director Parks gets a good price, they'll be issuing this. He added that the money is in the budget. They a tree removed at the Greenwood Cemetery by a local tree removal contractor. He reported that the Brianna's Kindness Park restrooms are completed and open to the public. He added that the porta-johns will be removed from the Park as well. Public Works Director Parks found a contractor that paid the Town to scrap the chiller and boiler. They also took the gas water heater, the ductwork, and will cleanup the piping in the mechanical room. He stated they planned OSHA 10 training course for the 17th and 18th. This is a basic safety course for outside and construction work. They plan to remove and store Christmas decorations, replace finger piers at the Harbor, install an alarm system for the drain pumps at the traffic circle, and continue routine maintenance of equipment and vehicles.

Chincoteague Center

Center Director Leonard reported that for the month of December there were 10 events, which was an increase of 22% from last year. She advised of upcoming events scheduled and announced that walking at the Center has started back Monday through Friday from 9am – 10am, beginning today. She reported on the classes, and events during the month. She stated that Delegate Bloxom's New Year's Eve event went well. They were able to secure the trolleys, which were a huge success. Center Director Leonard reported that with the help of the Chamber, they submitted a proposal to the Virginia Tourism Commission to have Chincoteague host the annual 2024 Virginia Visitor Center Seminar Summit and was awarded this opportunity. There

will be at least 100 people to come from visitor and welcome centers across the state. The seminar will be held in March and the attendees will be touring the Island, Wildlife Refuge, and NASA via the Island Trolleys. They will be spending money on motels and restaurants on the Island. During the seminar they plan to utilize local people like decoy carving. She welcomed suggestions for events, classes, etc. She also reported that she met with the Island Community House who requested to have bingo at the Center. It is the last Monday in the month from 1:00p.m. – 3:00p.m. Since July they have 1,500 new followers on Facebook. They plan to bring back the Decoy Show Thanksgiving.

Councilwoman Bowden asked if they have what they need with an audio-visual system.

Center Director Leonard advised they have nothing.

Town Manager Tolbert responded that it's in the works.

Councilwoman Bowden feels that with the Tourism Summit, they will need it.

Town Manager Tolbert stated that the object, this winter is to have a permanent system installed.

Center Director Leonard stated her email is on the report and invited comments and ideas.

Councilwoman Bowden stated that she is doing an awesome job.

Mayor Leonard invited everyone to do the walk in the morning to see what has been done at the Center.

Councilwoman Bowden asked why they didn't complete the kitchen and why the Community House can have a full kitchen.

Center Director Leonard believes it because of the Health Department.

Town Manager Tolbert stated that the permit restricts no more than 2 food events within a certain amount of hours. He is unsure why, but believes it has to do with the capacity of the drainfields. He stated it would be beneficial to look into this to change it.

Center Director Leonard stated that some of the caterers bring food carts.

Emergency Services

Town Manager Tolbert reported that they responded to 62 calls in December. He stated that Emergency Services Coordinator Rush is on the EMS Advisory Board for the state. Governor Younkin has directed \$8 million surplus in the General Fund to be redistributed to EMS. The new ambulance is scheduled for inspection by the end of January. He advised that they have 1 new hire, and 2 letters of intent for the full-time positions.

Adoption of the Minutes

Councilman Savage motioned, seconded by Councilman McComb to adopt the minutes of the December 4th, and 11th Council meetings. Unanimously approved.

Consider FY25 Trolley and Grant Application

Town Manager Tolbert advised that Council reviews the Pony Express budget annually at the January regular meeting allowing the grant application to be submitted on time. He stated that this year's Trolley operations budget is \$92,803 of which federal and state grants will fund about 73% with the Town's local match covering the remaining \$25,400 (27%). The budget includes a raise in salaries to attempt to lure and retain enough drivers to operate a full schedule for the first time since Covid. The new schedule will provide service 7 days a week during the months of July and August. They also do specials for the Oyster and Seafood Festivals.

Town Manager Tolbert also stated they plan to surplus the 4th vehicle during the spring or summer. They propose to purchase the trolley outright. This direct purchase will take it out from under the guise of the DRPT and into the Town's to use as they see fit. DRPT has restrictions, and between Center Director Leonard and Transportation Director King, DRPT allowed a trolley to be used for the Delegate's Ball and lining it up for the Summit in March. DRPT was agreeable to these items because one was for a sitting Delegate(s) and the other involves a Department of the State of Virginia. It was very popular. He feels if the Town owned one, it would be popular as well and feels it would be worthwhile that the Town consider purchasing it so there would be no restrictions. He further advised they don't know the process of purchasing it.

They discussed naming the new trolley allowing the elementary school children to vote on the name. There was discussion regarding the salaries, the recruitment of an excellent group of school bus drivers from Accomack County Schools.

Councilwoman Bowden motioned, seconded by Councilwoman Richardson to approve the FY25 Trolley Budget as presented as well as the submission of this information for the FY25 – 5311 Trolley Operations Grant. Unanimously approved.

Staff Reports

General Government

Town Manager Tolbert gave the Chincoteague Center Report for January. The Center hosted 4 busy events in January along with the morning walkers. January was a busy month for bookings which included 61 email requests for more information, weddings, a 50th anniversary part, 2 Quinceaneras, 1 Celebration of Live, and 2 family reunions. He added that Center Director Leonard has also organized a Job Fair to be held March 23rd from 10am – 1pm.

Town Manager Tolbert gave a detailed update on HRSD and the sewer collection system. The engineering work should be 60% done by April. The plant capacity will be increased in stages. He explained the discharge, equipment replacement, and it should be a very efficient plant. Permitting capacity is 76,500 gallons per day. They are in the process of obtaining the U.S. Coast Guard's plant which would increase the capacity to 82,500 gallons per day plus additional permitting. The plan is to have a new plant which will be able to treat that much. Surveying is underway by Davis, Bowen, and Fradel. The Town Office has listed 160 current and potential customers, which represents all of the commercial customers from Sunset Bay on Main Street to Maddox Boulevard and down Maddox Boulevard to McDonalds. Staff did an analysis of the water usage for the 160 potential customers and passed the information to Davis, Bowen, and Fradel and HRSD. He added that the 350,000 gallons per day capacity exceeds the current use from the 160 customers. The new plant should be able to handle all the current customers in the initial identifying service area.

There was discussion as to when they would know about the hookup costs. They won't know until it goes to bid next October and the renovations of the plant itself. The costs would go by the capacity, maintenance, etc. The businesses won't be required to hook up at this time. They also discussed the Town's financial responsibility of \$250,000 toward the renovations to the plant. They reviewed the water use graph. There was discussion regarding the EDU charge and hookup that Sunset Bay charged, which was approximately \$10,000 for up to 300 gallons per day. There is a potential schedule, December of 2026 is the completion date as they have to expense all of the ARPA funds by that time.

Town Manager Tolbert then reviewed the Meals and Transient Occupancy Tax collections for January.

Councilwoman Bowden commented that the Town has lost restaurants, and some are closed 2-3 days a week or with reduced hours. She wonders if it will ever be back to normal. She added that restaurants are hurting and lack help.

Town Manager Tolber continued with the financial report as well. He reviewed the Building and Zoning Report for January. The total value for the building cost of construction was \$6.8 million, and the total building permit fees collected were \$3,300.

Police Department

Acting Chief Greenley reported on the Officer training, and Cpl. Gladding attended a DMV workshop so the Department could apply and receive DMV Grants for speed enforcement. He advised that they had their accreditation reassessment. The assessors advised they didn't see anything that would prevent them from being reaccredited. The actual Commission meeting for recertification will be at the Chincoteague Center on March 7th. He also reported on the status of the new Durango and Ram truck which should be on the road fully equipped within the next couple of weeks.

Councilwoman Bowden advised that a local business owner, stated that during his hotel ownership he had to call the Police a few times. He stated that he is so proud of the Department for the professionalism and engagement that the officers have shown.

Acting Chief Greenley stated that this makes him proud that they do a good job. He thanked her for the message.

Public Works Department

Public Works Director Parks reported that the Department cleaned the drop inlets and jetting pipes in an effort to help drainage with the heavy rains this month. They are planning to reduce the lip at the entrance of the Hampton Inn and Suites on Main Street, finger piers were replaced at the Harbor, roads were graded in Ocean Breeze and Twilley Drive. He advised that in February they plan for spring paving, continue finger pier replacement at the Harbor, install the trail and exercise equipment at the Brianna's Kindness Park, and continue routine maintenance of equipment and vehicles.

Emergency Services

Emergency Management Coordinator Rush advised there were 46 calls in January which were 20 less than last year. He explained that the staff tries to find the appropriate help for those who call frequently, which helps to lessen the calls. He reported that he has seen the new 3-1 ambulance, and it should be shipped to Yorktown next week. It should be in the station around the 24th or 25th and be in-service by mid-March. He added that there is no grant money available for the spring grant cycle. The CVFC has signed another contract for another new ambulance as it takes 20 – 30 months to build.

There was discussion of the cost of a new ambulance, which is \$340,000, and a new fire engine is now up to \$1,000,000 and no grant monies for the ambulance at this time. When the money becomes available all of the entities will be in line.

Emergency Management Coordinator Rush reported on the EMS Advisory Board elected officers, reviewed, and approved a digital triage system, but would continue with the paper system, especially for mass casualty events. They reviewed 911 dispatcher training standards. He advised of the EMS Bills in the Senate to appropriate the funds to the Office of EMS for the grants that were already awarded. He also reported that they are continuing with weather monitoring. He added that the tides will be up over the next couple of days. Rocket Lab has a nighttime launch scheduled for March 20th, APEP plans to launch miniature rockets during the solar eclipse on April 8th. VDEM has canceled the PodEx that was scheduled but there may be plans for a local Pod exercise in the near future.

Emergency Management Coordinator Rush stated they met with the Village Neighbors where they discussed the weather and how to age safely in their homes. He reminded everyone to prepare now for emergencies.

There were comments about reinstitution of EMS training back in the high school and that it starts at the state level.

Village Neighbors

Mrs. Lisa Cannon, with the Village Neighbors introduced the Coordinator, Ms. Cathy Chappel.

Ms. Chappel updated Council on the membership and volunteers. She asked the Town for a contribution of \$5,000 to help with the expenses. She advised they are dedicated to assisting older Island residents. She explained that they provide friendly home visits, give rides to doctor appointments, pharmacy and grocery pickups, errands, technology help, light chores, and handyman services. She referred to their brochure. She reported that the volunteers spent over 650 hours in helping village neighbors last year. They had a dramatic growth from 111 to 582 services. They are very proud of their accomplishments in 2023 and plan to expand in 2024. Their goal is to increase Island residents and volunteers to handle their requests. The cost is \$20 per month and there are sponsors for those who can't afford it. They plan to reach out to the businesses, organizations, and individuals on the Island and advised they are soliciting the Town's support. They are a fully volunteer organization with one part-time paid administrator who is essential in managing the complex operations of pairing members' needs with the volunteer services. She thanked Council for their time and invited questions.

Mayor Leonard and Councilman Taylor thanked the Village Neighbors for their time and effort.

Chamber of Commerce Annual Report

Chamber Executive Director Shotwell reviewed the Chincoteague Chamber of Commerce Annual Report 2023. She reviewed the statistics for revenue, marketing expenses and value, earned media, membership, events, and projects. She thanked the Town for their support and all they do for the Chincoteague Chamber of Commerce.

Mayor Leonard asked if they could see the rocket launches from the Chamber's webcam at the Harbor and was advised they could.

Committee Reports

Recreation and Community Enhancement

Councilman Taylor reported they met January 23rd. There was discussion regarding filling and planting grass at the Donald Leonard Park, repairing the baseball field at Memorial Park, repair guttering at the Donald J. Amrien Recreation Center along with gym floor inspection, and looking into rubber coating, moving the batting cages from the gym when the Little League builds their new building, constructing the walking trail around the Brianna's Kindness Park, dock surfaces; maintenance and replacement, riprap replacement and the possibility of installing a dock along the Carnival parking lot, and grading and drainage at the Veterans Memorial Park.

Adoption of the Minutes

Councilwoman Bowden motioned, seconded by Councilman McComb to adopt the minutes of the January 2nd and January 18th Council meetings. Unanimously approved.

Approval of FY25 Fees

Town Manager advised they reviewed the FY25 Fees at the January Council Workshop meeting but didn't vote.
